

# Church Safety Precautions for COVID-19 Prevention

1. Face masks are required.
2. Please use proper hygiene practices before coming to church—hand washing, hand sanitizing, etc.
3. All congregants are required to maintain a social distance of 6 feet from non-household members.
4. Avoid any physical contact, including but not limited to, hand shaking, high fives, and hugs.
5. If you are or have been sick or symptomatic in the last 14 days, worship with us online and

## STAY HOME!!!

6. If you or anyone with you is coughing or sneezing excessively, you will be asked to leave in order to protect your church family.
7. Seating will consist of one row per family/people you came with.

## NO SITTING WITH NON-HOUSEHOLD MEMBERS

8. There will be no children's church or nursery. Parents will be expected to keep their kids seated with them during the entirety of the service.
9. Please remain in your seat/row during the service. No wandering/congregating inside the building during or after service. Upon conclusion of service please proceed outside.
